Re: Mine and Reclamation Plan,
Cane Creek Mine, M/019/005,
Grand County, Utah

Reference is made to your letter of January 28, 1988 to Moab Salt, Inc. transmitting a copy of the Comments of the Division of Oil, Gas and Mining and the Bureau of Water Pollution Control to the Plan. The third paragraph on page 2 of your letter contains instructions that the schedule for the items on Attachment A and the responses to the questions on Attachment B to the Comments should be submitted not later than April 20, 1988. Although Moab Salt, Inc. is diligently proceeding to comply with your instructions, it will be unable to meet the April 20, 1988 deadline.

Confirming our telephone conversation today, you have granted a 30-day extension ending May 20, 1988 within which to provide the schedule for items on Attachment A and responses to the questions on Attachment B.

Very truly yours,

O. W. Gushee, Jr.
